Blackbeat

Apollo 440

Turn on, let's go ten out of ten
 Funky rebel music on the radio again
 Tune in, let's go ten out of ten
 Funky rebel music on the radio again

 Turn on, let's go ten out of ten
 Funky rebel music on the radio again
 Tune in, let's go ten out of ten
 Funky rebel music on the radio again

 Turn on, let's go ten out of ten
 Funky rebel music on the radio again
 Tune in, let's go ten out of ten
 Funky rebel music on the radio again

 Boom! Sucker

 Yeah!

 Gonna knock ya out, stone cold dread
 Can't get the blackbeat out of my head
 Can't get the blackbeat out of my head
 Can't get the blackbeat out of my head
