

Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day

Yeah, today I woke up thinking it was Monday
But it was really Sunday, so I'ma sleep in
Until the blinds bring the sun in, always up to something
But today I'ma chill, somebody hit that snooze button
I could worry but it don't make sense
My future's bright, tell me who needs past tense
So I'ma sing my song
If you wanna sing along, here we go

Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day

Uh, good days, bad days
I have both days, but my hope says
I'm not gon' worry, be anxious, things that I tell myself
You've never let me down and you never will
That's why I stay forever chill, glory still to be revealed
When they ask advice from me, I just tell 'em to keep it real (keep it real)
They say comparison's the thief of joy, don't let 'em steal
Today's gon' be a good day, can't help it, that's just the way it feels

Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day
Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day

Somebody asked me how I'm doing today
Told 'em everything's gonna be just fine
And I can't control what people say
So I'ma sit back and enjoy the ride
Somebody asked me how I'm doing today
Told 'em everything's gonna be just fine
And I can't control what people say
So I'ma sit back and enjoy the ride

Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day
Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day
Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day
Hey, hey, hey, it's gonna be a good day
Hey, hey, it's gonna be a good day

It's gonna be a good, gonna be a good
Gonna be a good, good day, oh
Gonna be a good, gonna be a good
Gonna be a good, good day
