

Tears To Diamonds

Apollo LTD

Far too long
All these years I didn't know that I was sleeping
Yeah, I was sleeping
Then I woke up
To a thousand stars cast across the ceiling
Yeah, I woke up

I've bought the lies
For so long that now they feel like mine
And everything I wanted in this life
Was standing right in front of me this whole time
Whole time

My heart knows how to feel
Love echoes in the silence
My eyes know how to heal
Turning tears into diamonds

Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah

It's in my blood
Yeah, I'm flesh-in-bone, but that ain't what I'm made of
You're what I'm made of
I felt the rush
Like lightning in my lungs, shaking off the chaos
Shaking off the chaos

I've bought the lies
For so long that now they feel like mine
Everything I wanted in this life
Was standing right in front of me this whole time
Whole time

My heart knows how to feel
Love echoes in the silence
My eyes know how to heal
Turning tears into diamonds

Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah

My eyes know how to heal
Turning tears into diamonds

Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
Oh, yeah
Oh, yeah, yeah, yeah, yeah, yeah
