## In This Together (Flipside Club Mix)

## Apoptygma Berzerk

Should I've seen this coming Should I've known this Shouldn't have let it happen My mistake alright Stuck again Doing nothing (Doing nothing) Too alike yet far apart What felt so good once is breaking me And tearing us apart again

(chorus)
Don't you see?
We're in this together
You and me
One on one forever (X2)

I know it's self-inflicted We're way too desperate Way too addicted But I can't help the way I feel I know it's time to be strong Now when all hope is gone And when what felt so good once Is breaking me And tearing us apart again

(chorus) (2x)

And in your troubled eyes I see Someone who carried me somehow Like footprints in the sand You've been behind me all along We got it wrong from the start Now it's you and me Let's hit it on Don't you see? It's you and me against the world We're in this together One on one forever

(Chorus)
