

Tuning in to the Frequency of Your Soul

Apoptygma Berzerk

I`m trying to get thru to you
I`m tuning in to the frequency of your soul
Why wont your hear?
Why wont you feel?
I`m tuning in to the frequency of your soul

It makes no sense you won`t connect
The more I push the more you reject
It makes no sense we won`t connect
The more I push the more you reject
