

## **Jesus And I Love You**

**April March**

Jesus and I love you  
You're our soul to keep  
Abreast of earthly heaven  
Within your reach

Jesus and I love you  
It's our only prayer  
You spread heavenly Father's  
Good word everywhere

We believe that purity  
Comes naturally to you  
You could never succumb to the evils  
That men do

So Jesus and I love you  
Come down on your knees  
And feel that heat of lovin'  
From Jesus and me

Jesus and I love you  
You're our soul to keep  
Abreast of earthly heaven  
Within your reach

Jesus and I love you  
You're our soul to keep.
