

Can't Say No

April Smith and The Great Picture Show

You got my number, I'm well aware
I'm just a sucker, darling, I declare
Oh I'm resigned, it's just as well
I lose my senses, I'm defenseless
Under your spell

It does no good to resist your charms
I just come running back with open arms
You treat me mean, you hurt me so
I should have learned my lesson oh so long ago

You bat those eyelashes and my poor heart crashes down
I'd go but we both know I'd only turn right back around
Oh but I can't say no to you

Every time I'm led astray
You're all I think about when I'm away
You bait the hook, I always bite
Even when I try resist with all of my might

You bat those eyelashes and my poor heart crashes down
I'd go but we both know I'd only turn right back around
Oh but I can't say no to you

You bat those eyelashes and my poor heart crashes down
I'd go but we both know I'd only turn right back around
I bet you think that you're smart, don't you
I bet you're gonna trample my heart won't you
Oh but I can't say no to you
