Looking at the
Warm sunshine
That reflects me
I think of you what should I do

I wonder if you know my name
Are you the same as me?
Hiding my heart
So I couldn't get caught

You have many tall and pretty friends
You do not know my sad heart
You make me look like a sulky child
You don't know my mind

When I think of you
I feel hurt and tears come to mind
Because of my first love
I feel sick and cry
When I think of you
I have heartache and I become smaller
I feel sick because of unrequited love

I feel feverish and ashamed
When I'm in front of you
I am only touching
My cellular phone

I think about you
From morning till evening
Hiding my heart
So I couldn't get caught

When I look at cute and pretty clothes
And when I eat delicious food
I'm scared like a lost child
You don't know my mind

When I think of you
I feel hurt and tears come to mind
Because of my first love
I feel sick and cry
When I think of you
I have heartache and I become smaller
I feel sick because of unrequited love

If you take a step backward
You'll get away from you
I don't know what to do

And I just look at you

When I think of you
I feel hurt and tears come to mind
Because of my first love
I feel sick and cry
When I think of you
I have heartache and I become smaller
I feel sick because of unrequited love

Oh baby dubirup dup durup durup
I am a pretty fool looking at you
Even though I close my eyes
I can see you what do you think of my heart
Dubirup dup durup durup
Can you understand my mind?
I feel sick because of unrequited love
