Nananana mayday mayday

Hey I'm in danger
Something went wrong
No no no no no
Please don't do this
Boy don't pull me out
I can't stand it
No no no no no
I'm dragged away

You look
So nice today
Something has blinded me
Why am I like this? um mur mur mur mur

Mayday mayday
I think I'm gonna fall in love
When I see you (kong-kong-kong)
My heart gets faster
Hey babe hey babe
I think I'm gonna fall in love
My cheeks (hot-hot-hot)
Become red again

It's too dangerous
It must be 100 percent
Help me help me help me
Babe right now

I'm falling into
Your fascination now
Help me help me help me
Babe right now

You look
So pretty today
Can't control my mind
Why am I like this? um mur mur mur mur

Mayday mayday
I think I'm gonna fall in love
When I see you (kong-kong-kong)
My heart gets faster
Hey babe hey babe
I think I'm gonna fall in love
My cheeks (hot-hot-hot)
Become red again

Ay I'm totally in danger
What did you do to me?
I've got chills all over my body
My head feels dizzy
My heart throbs
What should I do?
I'm gonna fall in love with you soon
Somebody help me
Please dispel the love magic

I can't help it anymore
(Ah ah ah awoo
Ah ah ah awoo)
Frankly
It's not bad
I'm feeling rather good

Mayday mayday
I think I'm gonna fall in love
When I see you (kong-kong-kong)
My heart gets faster
Hey babe hey babe
I think I'm gonna fall in love
My cheeks (hot-hot-hot)
Become red again
