Oh oh oh oh oh boy
Oh oh oh oh oh boy

Why do you keep stealing glances at me?
I'm a chic girl
Your suspicious looks are creepy
Fool, I don't have time for you

(Why) is there so much you wanna know?
(Why) are you so curious?
(Too easy) do you think I'm easy?
(Slowly) show me your charm

Don't hesitate anymore
Be my shining star
(Oh like everybody say)
Now confidently show yourself
Just like now

Just like that wow wow wow
Just like that ha ha ha
Just like that wow wow wow
Just like that

Just like that wow wow wow
Just like that ha ha ha
Just like that wow wow wow
Just like that

You see me but you pretend you don't
You don't know what to do, look how awkward you are
Why are you telling me the same things as yesterday?
Fool, I'm getting tired

(Why) are you hesitating?
(Why) are you so cautious?
(Too easy) I don't wanna seem too easy

(Slowly) show me your charm

Don't hesitate anymore
Be my shining star
(Oh like everybody say)
Now confidently show yourself
Just like now

Acting strong, acting like you have something
Only talk, acting like you're interested
Pretense, no! honesty, yes!
Just as you are
Will you show me?
Your feelings hidden inside
Twinkle twinkle, you're a shining star
Just as you are

You seem like you'll come but you get far away
Take a step closer, show me your charm

Actually, I'm waiting
Be my shining star
(Oh like everybody say)
Now show me yourself more honestly
Just like now

Just like that wow wow wow
