Sometimes, the feeling is right,
You fall in love for the first time
Heartbeat, and kisses so sweet,
Summertime love in the moonlight
Now the summer is gone, you have to go back home
Please come and see me again, I never felt more alone
Baby, I'm missing you
I want you by my side
And I hope you miss me too
Come back and stay
I think about you every day
I really want you to
You set my feet right off the ground, 'til the lover found
Doctor jones, jones,
Calling doctor jones
Doctor jones, doctor jones,
Get up now
Wake up now
Doctor jones, jones,
Calling doctor jones
Doctor jones, doctor jones,
Wake up now
Wake up now
Oh, I think I miss you,
And all of the things we had,
Doctor, what can I do?
Why does he have to be like that?
Baby, I'm missing you
I want you by my side
And I hope you'll miss me too
Come back and stay
I think about you every day
I really want you to
You set my feet right off the ground, 'til the lover found
Doctor jones, jones,
Calling doctor jones
Doctor jones, doctor jones,
Get up now
Wake up now
Doctor jones, jones,
Calling doctor jones
Doctor jones, doctor jones,
Wake up now
Wake up now
Please, please cure me
Please, please cure me
```

Doctor jones, jones,
Wake up now

Doctor jones, jones, Calling doctor jones Doctor jones, doctor jones, Get up now Wake up now

Doctor jones, jones, Calling doctor jones Doctor jones, doctor jones, Wake up now Wake up now
