Kill Myself

Aqua

Heart on fire, burning love
These so wild and crazy times
Love won't tear us apart
Why I risk it all tonight

If I could only control how I feel
Pick myself through the thoughts I conceal
Please don't misunderstand when I say

I will kill myself if I had to to to
'Cause I wanna waste my life on you
I'm feeling more like dead when you're not close to me

All the lonely nights we've been apart
I've been dying from the broken heart
I'm feeling more like dead when you're not close to me

Stone cold days, darkest night
Empty thoughts, fill me up
I will try to stay alive
One more day without you here

If I could only survive without you
There's nothing in this world that I couldn't do
Please don't misunderstand me when I say

I will kill myself if I had to to to
'Cause I wanna waste my life on you
I'm feeling more like dead when you're not close to me

All the lonely nights we've been apart
I've been dying from the broken heart
I'm feeling more like dead when you're not close to me

I would kill myself
For you I would kill myself
I would kill myself
For you I would kill myself

Oh oh oh oh, oh oh oh oh
There's nothing that I wouldn't do
Oh oh oh oh, oh oh oh oh
I would kill myself for you

Oh oh oh oh, oh oh oh oh
There's nothing that I wouldn't do
Oh oh oh oh, oh oh oh oh
I would kill myself for you

I will kill myself if I had to to to
'Cause I wanna waste my life on you
I'm feeling more like dead when you're not close to me

All the lonely nights we've been apart
I've been dying from the broken heart
I'm feeling more like dead when you're not close to me

Oh oh oh oh, oh oh oh oh
There's nothing that I wouldn't do
Oh oh oh oh, oh oh oh oh
I would kill myself for you
