## **Breaking My Heart**

Need to know I don't wanna know Already know I've seen the signs I watch you as you pull yourself away from me Can't believe I wanna believe How can i believe You're making me doubt I thought i knew you I don't even know myself I'm losing faith I'm losing all faith You're breaking my heart Breaking my heart You're breaking my heart again Don't ask me to start Ask me start Don't ask me to start again Start again I wanna fight Afraid to fight Why don't i fight And make you see I hold my breath And disappear inside myself I'm losing strength, i'm losing all strength You're breaking my heart Breaking my heart You're breaking my heart again Don't ask me to start Ask me to start Just don't ask me to start again Start again Oh you're breaking my heart again Don't ask me to start Ask me to start Just don't ask me to start again Start again No Oh no no I'm losing you I'm losing, oh, you
