Over

Aqualung

Don't say its not over
When you know it isn't true
You know its a useless thing to do

This must be love
Theres no overseen calamity
No accindental tragedy

Get off me
Get off me oh, your breaking my heart
Get off me girl you know you are

I knew, this would, happen
I saw it coming miles away
I couldn't get out of the way

So she kisses me, and she thinks shes seeing tears in my eyes,
Thinks I'm trying not to cry

Get off me
Get off me oh your breaking my heart
Get off me girl you know you are

Don't touch me oh I don't need anybody
Get of me girl...girl...girl...girl, girl

Don't you say you love me
When you know it isn't true
You know its a useless thing to...do
