

I Am

Aquaria

When I was in darkness
I tried to find a place where I could go
So let my spirit fly and take
Another chance
To make our future grow

I've denied my feelings
My inner power said: don't hesitate!
Don't ever forget who you are
Stand up and take
This chance to born again

I AM
The miracle of life
The one, the whole divine
The truth you bring inside
Inside your heart, you'll find
The way to see the light

I AM
The war that never starts
The tear that wasn't cried
The man who never fights
Inside your heart, you'll find
The way to see the light

Through the sea of sadness
Only being enlightened by the moon
I hope to find another land,
Another place
A new ground to reborn

Lying in the moonlight
I sing alone some old lullabies
I close my eyes and feel the breeze
My spirit flies
It's time to say goodbye

I AM
The miracle of life
The one the whole divine
The truth you bring inside
Inside your heart, you'll find
The way to see the light

I AM
The war that never starts
The tear that wasn't cried
The man who never fights
Inside your heart, you'll find
