Aqueduct

This is a song for all the lovers
Or anyone who's
Playing spyhunter
I give it up for hesitation
But I might
Just have to take it back

This may all sound confusing
But I won't let you use me
Are you into mass destruction?
'Cause if you're not
I hope you can forgive me

I hear you talking to me baby
But I can't understand
A word you're saying
I'll try to reach you from
My pocket-sized part of the world

Seems we have become disconnected
Now my heart's a mess of
Tangled cords
I'm feeling pretty useless
But I'm not going back
To the drawing board
