

# All I Ever Wanted

Aquilo

All I ever wanted was to run away  
Close my eyes, but witness something wrong  
Oooh, oooh, oooh, oooh, oooh  
Oooh, oooh, oooh, oooh, oooh  
Close my eyes to witness, here it is, all alone  
Slowly drifting past us, we changed  
Oooh, oooh, oooh, oooh, oooh  
Oooh, oooh, oooh, oooh, oooh

Love don't take your time with me  
'Cause I've done this before  
Love don't take your time with me  
'Cause I've done this before  
Oooh, oooh, oooh, oooh, oooh  
Oooh, oooh, oooh, oooh, oooh
