

Give It Up

Arabesque

You try to get me where you want me
But there's no way
To make me think I should believe you
After all

Give it up
Don't you see I'm through with you
Give it up

You may be crying, I'm not buying
Your old story
I'm going out with someone else
We'll have a ball

Give it up
Don't you see I'm through with you
Give it up

Give it up
Don't you see I'm through with you
Give it up

This is the hard way
I know it's tough, what can I do
It's the same way
You treated me and that is true

I'll write a book on what you told me
In the morning
When you came from what you
Call your overwork

Give it up
Don't you see I'm through with you
Give it up

Why don't you see that this is more
Than just a warning
This time it's so
I'm telling you again

Give it up
Don't you see I'm through with you
Give it up

Give it up
Don't you see I'm through with you
Give it up

You won't give up because you know
I love you baby
So let me tell you that was true
Until today

Give it up
Don't you see I'm through with you
Give it up
