

# Hey What A Magic Night

Arabesque

Ma-ma-ma-ma  
What a magic night  
Ma-ma-ma-ma  
What a magic night

Tonight's the night I have been waiting for  
Pop po pon po pon pon  
You'll teach me how to kiss and may be more  
Pon po pon po pon pon  
Come close darling 'cause I wanna hear  
The naughty words you'll whisper in my ear  
I feel hip hip shaking if's pop pop making love

Hey what a magic night  
Hey what a magic night  
Until the break of day  
I'll be staying awake  
Never stop-op-op kissing me  
And when the night's too short  
I'll be closing my door  
Never stop-op-op kissing me  
Hey what a magic night  
Hey what a magic night  
I wanna feel it's true  
That I only love you  
Never stop-op-op kissing me  
Hey what a magic night...

Ma-ma-ma-ma  
What a magic night  
Ma-ma-ma-ma  
What a magic night

I know tomorrow night you'll ring my bell  
Pon po pon po pon pon  
To see if I have learned my lesson well  
Pon po pon po pon pon  
And should you find me just a little slow  
Why don't you try again until I know  
I feel hip hip shaking if's pop pop making love

Hey what a magic night  
Hey what a magic night  
Until the break of day I'll be stay away  
Never stop-up-up kissing me  
And when the night too short  
I'll be close my door  
Never stop-up-up kissing me  
Hey what a magic night  
Hey what a magic night  
I wanna feel it's true if I only have you  
Never stop-up-up kissing me
