

# Midnight Dancer

## Arabesque

Hey, midnight dancer, oho-oho  
Hey, big romancer, oho-oho  
You are a sailor, a taylor, a jailer  
You are from Ghana, Gagana, Montana  
Hey, midnight dancer, oho-oho  
Hey, big romancer, oho-oho  
So lady killing  
So thrilling  
I'm willing  
Come on, lets do  
The midnight dance

The band is playing  
And you are saying:  
("We should be thinking")  
(About some drinking")  
Well, mister Handsome  
Why don't you get one  
("I'm sorry, honey)  
(I'm short off money")

We dance the night away  
We have no time to play

Hey, midnight dancer, oho-oho  
Hey, big romancer, oho-oho  
You are a sailor, a taylor, a jailer  
You are from Ghana, Gagana, Montana  
Hey, midnight dancer, oho-oho  
Hey, big romancer, oho-oho  
So lady killing  
So thrilling  
I'm willing  
Come on, lets do  
The midnight dance

The band goes Latin  
His eyes grow satin:  
("Let's do the tango)  
(And the fandango")  
Oh, Yotegiero  
My caballero  
("Bring me tequila)  
(From Venezuela")

We dance the night away  
We have no time to play

Hey, big romancer, oho-oho  
You are a sailor, a taylor, a jailer  
You are from Ghana, Gagana, Montana
