## Arabesque

If you need a little rest  
I advise you for the best  
Take a plane and be my guest  
Zanzibar (Zanzibar)  
Zanzibar (Zanzibar)  
Is not far

We will be alone  
There will be no telephone  
I will make you feel at home  
Zanzibar (Zanzibar)  
Zanzibar (Zanzibar)  
Is not far

Hey come to Zanzibar  
Lovely Zanzibar  
If you know you will find  
What you have in your mind  
On Zanzibar  
Tell on-one where you are  
And it's not too far  
I'll be waiting for you on Zanzibar  
Zanzibar

On my island in the sun  
People walk they do not run  
But they have a lot of fun  
Zanzibar (Zanzibar)  
Zanzibar (Zanzibar)  
Is not far

Baby you will stay  
Or come back some other day  
You will love it anyway  
Zanzibar (Zanzibar)  
Zanzibar (Zanzibar)  
Is not far

Hey come to Zanzibar  
Lovely Zanzibar  
If you know you will find  
What you have in your mind  
On Zanzibar  
Tell on-one where you are  
And it's not too far  
I'll be waiting for you on Zanzibar  
Zanzibar

Zanzibar (Zanzibar, Zanzibar)  
Zanzibar (Zanzibar, Zanzibar)  
Zanzibar (Zanzibar, Zanzibar)  
Zanzibar (Zanzibar, Zanzibar)

Hey come to Zanzibar  
Lovely Zanzibar  
If you know you will find  
What you have in your mind

On Zanzibar  
Tell on-one where you are  
And it's not too far  
I'll be waiting for you on Zanzibar

Hey come to Zanzibar  
Lovely Zanzibar  
If you know you will find  
What you have in your mind  
On Zanzibar  
Tell on-one where you are  
And it's not too far  
I'll be waiting for you on Zanzibar
