

Against My Heart

Arachnes

In my deep sea
the waves are breating against the rocks;
you're in my mind,
and you are knocking against my soul,
against my heart,
against my heart.

NOW, YOU ARE MY SECRET DESIRE
SO COME AND LET ME IN!
NOW, I WANT TO GET
INTO YOUR LIFE,
I COULDN'T DO WITHOUT IT.

Nothing will change,
nothing will change, whatever you may do;
this is your life,
and you are knocking against your soul,
against your heart,
against your heart.
