

# Break Away

Aranda

You got me wrapped around your finger  
Who I am, I don't know anymore  
Got me blinded by your circumstance  
I'm stuck in the middle  
See, I know how the story goes  
If you love me, gotta let it go  
'Cause I'm starting to see what I want to be  
And I'm not giving up on it

And I, I gotta get away  
Gotta make a change  
I don't wanna give you up  
But this is more than I can take  
Gotta set you free, wanted to believe  
But I've finally had enough  
I gotta break away, yeah  
Oh, gotta break away  
I gotta break away

Can't you see this time is passing  
It's gone before you know it  
And I don't think you really understand  
Oh, but now I see it  
I think you know how the story goes  
If you love me, baby let me go  
'Cause the cage that I find  
Is yours, not mine  
And I won't be your prisoner

And I, I gotta get away  
Gotta make a change  
I don't want to give you up  
But this is more than I can take  
Gotta set you free, wanted to believe  
But I finally had enough  
I gotta break away, yeah  
Oh, c'mon, gotta break away  
Whoa-oh

And I don't know where  
This road is taking me  
But I'm moving on  
And I'm never looking back

Here we go  
Said I, I gotta get away  
Gotta make a change  
I don't wanna give you up  
But this is more than I can take  
Gotta set you free, wanted to believe  
But I finally had enough

And I, I gotta get away  
Gotta make a change  
I don't wanna give you up  
But this is more than I can take  
Gotta set you free, wanted to believe

But I finally had enough  
I gotta break away, yeah  
Oh, gotta break away  
Hey, c'mon, oh gotta break away

Wanted to believe  
Wanted to believe  
Wanted to believe
