

Free Ride

Aranda

This is coming to an end
Find yourself another friend
Kindly pack your bags and hit the road

It cannot be overstated
Loving you is overrated
Sorry but it's time for you to go

I should've known better
But I was blinded
But now I see
I don't need you anymore

Free ride
Free ride
Baby, I'm not the one that you'll get it from
A free ride
Free ride
Baby, get off the floor and walk out the door
Free ride
Free ride
And all that you wanted from me
Was a free ride

Baby want a free ride

It was simply overkill
Paying your electric bill
You gave me nothing
And you were so cold

It cannot be overstated
Loving you is overrated
Sorry but it's time for you to go

Girl ya know you want a free ride
Free ride
Baby, I'm not the one that you'll get it from
A free ride
Free ride
Baby, get off the floor and walk out the door
Free ride
Free ride
Livin' on me baby every day and night
Free ride
Free ride
And all that you wanted from me
Was a free ride

All you wanted was a free ride
Girl, you want a free ride

Girl, ya know you want a free ride
Free ride
Baby, I'm not the one that you'll get it from
A free ride
Free ride

Baby, get off the floor and walk out the door
Free ride
Free ride
Livin' on me baby every day and night
Free ride
Free ride
And all that you wanted from me
And all that you wanted from me
And all that you wanted from me
Was a free ride

Yeah
Said all girl you wanted was a free ride
All ya all ya all ya wanted was a free ride
Oh
Baby just want a free ride
Oh, just like that
Girl, you want a free ride
