

I Can't

Aranda

Ten thousand secrets and a million questions
I think I'm losing faith in common answers
I'm sick and tired of all this false religion
Our wars have covered up a deeper sickness

You're asking for a fight
Its all just a matter of time
Its here I draw the line
If you try again then you'll find
(You won't control me)
I can't take anymore
(You'll never own me)
I can't take anymore

I hear the silence from the mount of privilege
Its growing louder with each passing minute
We lose ourselves in senseless competition
We buy and sell the lies that cause division
Oh yeah

You're asking for a fight
Its all just a matter of time
Its here I draw the line
If you try again then you'll find
(You won't control me)
I can't take anymore
(You'll never own me)
I can't take anymore

I'll stand and fight for what is right
If no one stands behind me
I still believe there's someone out there that will stand up with me

You're asking for a fight
Its all just a matter of time
Its here I draw the line
If you try again then you'll find
(You won't control me)
I can't take anymore
(You'll never own me)
Oh, I can't take it
I won't take it anymore
You got me so low
Go on keep me on my down love yeah
Can't take, I won't take
Ahh yeah
I can't take, I can't take
