

Over My Head

Aranda

Time
Never waits on us
You know it don't stop tickin'
In the dark you can not hide
You really gotta wake up
Too much indecision
Before your world is paralyzed

Drowning in the lie you tell yourself
Reach beyond and fight

Staring at the ceiling
Like you're barely breathing
I won't let you leave this world behind
But you are letting go I feel it
And I don't wanna see it
It feels like you're already gone
Like you're already dead
I'm in over my head

Like
Another Sleepless night
Under so much pressure
Same old demons at your door
You think that it's all over
Breaking into pieces
That are scattered on the floor

Drowning in the lie you tell yourself
Reach beyond and fight

Staring at the ceiling
Like you're barely breathing
I won't let you leave this world behind
But you are letting go I feel it
And I don't wanna see it
It feels like you're already gone
Like you're already dead
I'm in over my head
I'm in over my head

Drowning in the lies you tell yourself
Reach beyond and fight

Staring at the ceiling
Like you're barely breathing
I won't let you leave this world behind
But you are letting go I feel it
And I don't wanna see it
Feels like you're already gone
Like you're already dead
I'm in over my head
Over my head
I am in over my head
I'm in over my head
Over my head
I am in over my head
