

Stay

Aranda

I've been walking on a broken road, it's the only one I think I know
These feet worn to the bone, got me one step closer to being gone
Tear you down, lift you high
Leave me now, don't say good-bye
Good-bye

I've completely lost my mind
It doesn't really matter, it doesn't really matter to me
If my weakness leaves me powerless to change
Would you stay
Stay

I can't beat this losing streak, it's my one track mind that makes me weak
And I've been living on a compromise, I would hide the truth and sell you lies
Lead me now, I'll try to follow
It's your strength, that I need to borrow
I need to borrow

I've completely lost my mind
It doesn't really matter, it doesn't really matter to me
If my weakness leaves me powerless to change
Would you stay
Stay
Stay

I've completely lost my mind
Doesn't really matter
Yeah, yeah
If my weakness
Oh
Would you stay, stay, stay, yeah

I've completely lost my mind
It doesn't really matter, it doesn't really matter to me
If my weakness leaves me powerless to change
Would you stay
Stay
Stay

Whoa, yeah, yeah

Oh would you stay
