

# depressed sometimes

Arash Buana

I don't have much to say  
Tryin to find a way  
To say I'm okay  
I've been here for so long  
Might as well say I'm gone  
Wish I was unknown

I've been pushed in  
To this hole and  
I am lost  
I'm trying so hard to breathe  
Through my thick skin  
There's a blade in  
You can throw me off  
A plane  
I wouldn't care  
Well am I wrong  
I guess it's alright  
To be depressed sometimes

Yeah I kept on wondering  
How could I simply change  
After all I have done  
I tried fixing my soul  
And I've tried holding it in  
I'm trying and trying  
To be something I can't  
I've been going through hell  
Can someone just help  
I'm dying to see  
If someone would Be there

I've been pushed in  
To this hole and  
I am lost  
I'm trying so hard to breathe  
Through my thick skin  
There's a blade in  
You can throw me off  
A plane  
I wouldn't care  
Well am I wrong  
I guess it's alright  
To be depressed sometimes

How much far will I go?  
I can't say that I know  
Wish I just had something more

I've been pushed in  
To this hole and I am lost  
I'm trying so hard to breathe  
Through my thick skin  
There's a blade in  
You can throw me off  
A plane  
I wouldn't care

U can cut me up in half  
I wouldn't care  
Well am I wrong  
I guess it's alright  
To be depressed sometimes
