

# everything's okay

Arash Buana

Are you doing fine?  
Is it getting worse?  
Well, I'm barely holding on  
The ghosts are all inside

I'm doing fine  
Well I can barely breathe  
With two packs of cigarettes waiting to burn  
As I'm trying to learn  
Myself

I know that it's hard  
To let go, to let go  
Dadadam  
I know that it's hard  
To let go  
Dadadam

But it's time  
To let go, to let go, to let go  
Dadadam  
It's time to let go, to let go

Everything's okay  
Things might not be going your way  
We could stay like this all day  
Or we could go just like  
Ladadada  
Ladadada  
It'll all be okay  
We'll try again but not today  
Fall in love with my mistakes  
I will go just like  
Ladadada  
Ladadada

I know that it's hard  
To let go, to let go  
Dadadam  
I know that it's hard  
To let go

But it's time  
To let go, to let go, to let go  
Dadadam  
It's time to let go, to let go

Everything's okay  
Things might not be going your way  
We could stay like this all day  
Or we could go just like  
Ladadada  
Ladadada  
It'll all be okay  
We'll try again but not today  
Fall in love with my mistakes  
I will go just like

Ladadada

Ladadada

Even if you think it's all over  
And the sun is already gone  
Don't be afraid to go  
You won't be all alone  
I will be here to guide you home
