

Dooset Daram

Arash

I remember when i met you
You were walking in the rain
And the autumn leaves were fallin
Only you can kiss the pain
Only you can kiss the pain.
(Arash - Dooset daram)
Har shab too khateratam
Donbale rade patam
Beri harjaie donya
Pa be patam
Are Pa be patam.

Dooset daram
Dooset daraaaam
Dooset daraaaam
Bemoon ba man
Only you can kiss the pain
It's driving me insane
When the clouds turn into rain
Dooset daraaaam
Dooset daraaaam
Dooset daraaaam
Bemoon ba man
Only you can kiss the pain
It's driving me insane
It's driving me insane.

You disappeared into the darkness
But our memory lives on
I dream there's no tomorrow
I wake up and you are gone
I wake up and you are gone.

Bargard nazar dobare
