Hey hey dive into the future! baby a spirit
Yeah yeah this is the beginning keep running like that
Hey hey holding hands baby seize tomorrow
Yeah yeah feeling it directly believe it and dive into the future!

dive into the future!
dive into the future!
give me more!

Hey hey dive into the future! baby a spirit
Yeah yeah this is the beginning keep running like that
Hey hey holding hands baby seize tomorrow
Yeah yeah feeling it directly believe it and dive into the future!
Dive into the future! dive into the future!
future

Hey hey dive into the future!
Hey hey dive into the future!

All night long, staring absentmindedly at the TV
When I realized it, it was already a sand storm at dawn
It's not like I'm lost zigzag lightning
At that time, I was close to the passion I'd hidden yeah yeah

My instincts know the answer (everyone is like that)
Nothing can stop me

Hey hey dive into the future! baby a spirit that won't give in
Yeah yeah this is the beginning keep running like that
Hey hey holding hands baby seize tomorrow
Yeah yeah feeling it directly believe it and dive into the future!
Dive into the future!

Sunrise always comes after the night
When I realized it, it was already an orange sunset
There's nothing to be afraid of we're soul mates
At that time, I was close to an overflowing amount of courage yeah yeah

In reality, I knew the answer (everyone is like that)
I absolutely won't give up anymore

Hey hey dive into the future! baby a spirit that won't give in
Yeah yeah this is the beginning keep running like that
Hey hey holding hands baby seize tomorrow
Yeah yeah hand in hand, let's go to the future

Climb over the wall in your way dive into the future!
Go without hiding your tears dive into the future!
The answer is already here give me more!

Hey hey dive into the future! baby a spirit that won't give in
Yeah yeah this is the beginning keep running like that
Hey hey holding hands baby seize tomorrow
Yeah yeah feeling it directly believe it and dive into the future

Dive into the future! dive into the future!
Believe it and dive into the future
