Let me hear you say □□□□□□□□ hey! □□□□□□

Let's go forward, even if it's only 1 mm! step by step! step ahead!
Brother you're frustrated, aren't you? don't cry
Let me hear you say all together now hey! don't hold it in!

Everyday friends, family, lovers, it's all yourself
Everyday come on, don't ever look back!

1 2 3 4 let's get on! life is so precious
No matter how small, it's important gather it all together hey yeah!
5 6 7 8 feel it! vivid, unique, feelin' good
Let's fly around in the sky hey yeah!

Troubles will never end of all time
But everything's going smoothly, right?
Your life and mine are the same, brothers and sisters
Say alright "alright" yeah

With a love that'll embrace the whole universe
It'll embraces your worries too my soul
I'll always be by your side, so it'll be okay
Hi-ho! I'm your partner!

1 2 3 4 let's get on! this world is beautiful
Don't worry about the small stuff try looking at it from space hey yeah!
5 6 7 8 feel it! vivid, unique, feelin' good
Let's make the world go around again today hey yeah!
