Mado kara hikari more cock-a-doodle-doo
Soshite kinou no moya moya roka suru
Mazu ocha susuru kagami ni utsuru
Futo mabuta wo kosuru sora wo muku (cock-a-doodle-doo)
Ato wa okimari no jetto ko-suta
Kimochi afure deru made ni ponpu count down
5 4 3 2 1 in your mind
Yeah, ichi, ni, go, kimi de san, shi ga nai, right?
I love my girl I love my girl
She's got the stuff that makes everything alright...
It's ok, it's alright
We gonna have a good time!...
DDDDDD cock-a-doodle-doo
DDDDDDDD DDDD(cock-a-doodle-doo)
5 4 3 2 1 in your mind
Yeah, 1 2 5 00 3 4 000 right?
I love my girl I love my girl
She's got the stuff that makes everything alright...
It's ok, it's alright
We gonna have a good time!...
Light shines through the window cock-a-doodle-doo
Then yesterday's depression filters through next
First, I'll sip some tea check my reflection in the mirror
Casually rubbing my eyes, I'll face the sky (cock-a-doodle-doo)
After that, it's the same old roller coaster
I'll keep pumping until my feelings overflow count down
5 4 3 2 1 in your mind
Yeah, 1, 2, 5 is all about you and there's no 3 and 4, right?
I love my girl I love my girl
She's got the stuff that makes everything alright...
It's ok, it's alright
We gonna have a good time!...
