Romance! ~~~~~
~~~~~  
I'm gonna make your love  
I'm gonna make your love  
I'm gonna make your love

The bell at evening rang a little ahead of time  
The moment to tell my feelings has come wooh!

Should we take it easy? let's go anywhere!  
So as long as we're smiling wooh... fu!

Let's go with romance in our hearts! you go!  
This throbbing sensation  
Romance has come!  
Look, the whole town is smiling!  
I'm gonna make your love

Enjoyable times pass by in a flash  
We can't catch up with them they've gotten so far ahead wooh!

The sun is sinking and the stars are twinkling

My feelings are stuck standing still wooh... fu!

Let's hold on to romance!  
A flowing melody  
Let's continue our romance! yo!  
Until you find your dream  
I'm gonna make your love

I'm gonna make your love  
I'm gonna make your love  
I'm gonna make your love

Let's go with romance in our hearts! you go!  
This throbbing sensation  
Romance has come!  
Now and forever, walking with you on this gentle sloping hill  
Let's always continue to walk up it together

Let's go with romance in our hearts! you go!  
This throbbing sensation  
Romance has come!  
Look, the whole town is smiling!

Let's hold on to romance!  
A flowing melody  
Let's continue our romance! yo!  
Until you find your dream

Let's go with romance in our hearts! you go!  
This throbbing sensation  
Romance has come!
