Close to me  
A fragrance I can sense nearby  
With you, there are no rules imposed

Please don't turn me off  
Now, untie me from the chains of this trap  
I'll commit the perfect crime with you

It's too late, go back  
An aphrodisiac that melts me with your lips heavenly  
Maybe until the end

Call my nameless name now  
Share this crime with me tell me  
What do you wanna do, wanna do now  
But then it's taboo (what you say girl)

Get it, get it, get it, get it, get now  
In these several seconds carry out

What you wanna do, wanna do now  
So, that is taboo (what you say girl)

Ah, come on sweetie

If you like, come closer this way  
Forget the present, this moment of love and these feelings  
Ya like my dancers?

Night hunts me down again (yeah)  
Your scent is left on my fingers (uh)  
Dirtying me again with your innocent face (it's)  
T.a.b.o.o.

A second wink

You look to the left  
"You aren't going to kiss me?"  
Light is shut out  
A roughly drawn map  
The honey inside of a beehive

"Baby come"

Close to me  
I'll fall down in this predetermined game  
The perfect crime you commit

It's too late, go back  
Managing to reach the end is already heavenly  
Let it be until the end
