Wearing multicolored masks, playing fictitious characters
I bite into a mouthful of fruit it's not bad, rather, isn't it great?
Breaking through the noise of the TV and radio, your smile was frighteningly
radiant
Where did my worries fly off to? it's okay to be dumbstruck, right?

Are you ready?
There's no such thing as perfection sweet, sweet
With a soul of the highest rank do it! do it!
Simply bust it open movin' now! movin' now!

Are you ready?
Even if there's a disaster life is sweet, sweet
Yeah, it's a sign saying "let's go" do it! do it!
Shamelessly face forward movin' now! movin' now!

Dreams I'd almost forgotten are going around in my head searching for a love
that I'd nearly lost

Come on, your tears aren't need anymore too late? there's no such thing!
Rumors from the masses are spreading it suddenly dampens the spirits of the
city
In times like this, we should exchanged smiles like always it's okay to be d
umbstruck, right?

Are you ready?
There's no time for thinking life is sweet, sweet
It's a once in a lifetime chance do it! do it!
If you've gotten your dream, then start running shake it up! shake it up!

Are you ready?
There's no attack for an easy win sweet, sweet
The juice of this moment do it! do it!
Once you drink it up then break through shake it up! shake it up!

A heartbeat that's hidden it's radiance is still beating strongly
It's a light deep in my heart that I could never give up

Even on terrible days (even on terrible days)
Give a top class smile (give a top class smile)
Boldly bust it open movin' now! movin' now!

Are you ready?
There's no such thing as perfection sweet, sweet
With a soul of the highest rank do it! do it!
Simply bust it open movin' now! movin' now!
