

Altar

Arca

After all, you still lost me
I can't, I still lost you too
Do you recall the night
That you looked into my eyes?
Inside to me
You said, angel
And I, and I did
After all, you still lost me
I can't, I still lost you too
Do you recall the night
That you looked into my eyes?
Inside to me
You said, angel
And I, and I did
