

## Broke Up

Arca

Uh, uh, swear, man, get off  
Waitin' for my [?] take off  
We're gonna faint and break up  
[?] gettin' paper  
Uhuh, I'll push and pull it out, breed it, more  
I'll push and pull it out  
It's too much for me to take  
It's too much for me to take  
I'll push and pull it out, wait  
It's too much for me to take  
It's too much for me to take, ok?

Workin' thick on knees to push it on heels  
[?] throat sore, resting on your arms  
Smeared makeup, [?] take off

I'm a little bit twisted  
Reel it back then feel it, seal it  
Arms up [?]  
I'm a little bit twisted  
Reel it back then feel it, seal it  
Hold up  
I don't feel my body leaning  
Worst comes to worst  
I'm feeling like a natural heathen  
Superstition, blood, I'm paused  
Wait for you

I'll push it  
It's too much for me to take  
It's too much for me to take  
So, where you goin'?  
Push it on knees, push it on heels  
[?] throat sore, resting on your arms  
Swear, man, get off  
Waiting for my [?]  
We're gonna faint and break up

I'll push and pull it out, breed it  
It's too much for me to take  
It's too much for me to take  
It's too much
