Hips shift from side to side
How could it fit inside a body so petite?
Why would she flip?
How could she flip?
How could she flip it all upside down?

He wears her crown
He wears her crown
From side to side

How could it fit inside a body so petite?
Hips shift from side to side
To side to side to side to side
To side to side to side to side to side
Hips shift, hips shift from side to side
How could it fit inside a body so petite?
Why would she flip?
How could she flip?
How could she flip it all upside down?

He wears her crown
He wears her crown
From side to side

How could it fit?
From side to side
How could it fit inside a body so petite?
Why would she flip?
How could she flip?
How could she flip it all upside down?
