

Run Bitch

Arca

Run, run, run, run, run, run, run, run, run
Run, girl, run, girl, run
Run as fast and as hard as you can
Did you hear me?
Run as fast and hard as you can run
Can you hear me?
Run fast, run hard, run bitch
Run, run
Run towards the lights
I said run towards the lights
Girl run towards the lights
Run fast, run hard, run bitch
Run fast, run hard, run soft
