Bitch, I

Get wrapped up in some shit
Not sure who you think you're dealing with
Phlegm spit in your open hole before I cum in it
Pullin' it out then returnin' it
Like this is a revenant
All these other bitches are irrelevant
Heaven-sent

I flick my wrists (Storm)
I flick my wrists (Soft storm)
I flick my wrists (Soft)
Bitch I- (Crash)
I flick my wrists (Hahaha, hard, crash)
I flick my wrists (Hard, I storm)
Girl, I flick my wrists (So soft, I storm)
Fuck it, I flick my wrists (So softly)
Like this (Crash)
I flick my wrists (Severely crash, severely)

Get wrapped up in some shit
Not sure who you think you're dealing with
Phlegm spit in your open hole before I cum in it
Pullin' it out then returnin' it
Like it is a revenant
All these other bitches are irrelevant
Heaven-sent

Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent
Relevant, heaven-sent

Qué gusto (There's no reason to solve)
Qué susto (But she cut off my arm)
Qué gusto
