Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been doing

Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been doing

Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been, I know you been

Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been doing

Truth hurts
What you been doing and?

Truth hurts
Tell me the truth, tell me the truth

One night
Baby, that thing we've been doing
Tell me now
'Cause I need you, baby

Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been doing

Truth hurts
What you been doing and?
Truth hurts
What you been doing and who you been doing it with?
I know you been doing

Truth hurts, truth hurts
Truth hurts, truth hurts
Truth hurts, truth hurts
Truth hurts, truth hurts
