Time

Arca

(Mmm)

I know you want it
Time
To let it out
It's time
I know you want it, I-I know you want it
And it's time
To let it out
And show the world

Take this time
It's all yours
It is all yours, ooh
You know it is
Baby
T-t-take this time tonight for yourself
Take this time tonight for yourself to unwind
It's time
