

## Empty Room

Arcade Fire

Said your name, in an empty room  
Said your name, in an empty room  
Something I would never do

Said your name, in an empty room  
Said your name, in an empty room  
Something I would never do

I'm alone again

When I'm by myself  
I can be myself  
And my life is coming  
But I don't know when

You were burning out, you're black and gray  
You were burning out, you're black and gray  
Something I would never say

I'm alone again

When I'm by myself  
I can be myself  
And my life is coming  
But I don't know when

Toute ma vie, est avec toi  
Toute ma vie, est avec toi  
Moi j'attends, toi tu pars

Toute ma vie, est avec toi  
Toute ma vie, est avec toi  
Moi j'attends, toi tu pars
