## **Everything Now**

**Arcade Fire** 

I'm in the black again Can't make it back again We can just pretend We'll make it home again From everything now

Every inch of sky's got a star Every inch of skin's got a scar I guess that you've got everything now Every inch of space in your head Is filled up with the things that you read I guess you've got everything now And every film that you've ever seen Fills the spaces up in your dreams That reminds me

(Everything now) (Everything now)

Every inch of road's got a sign And every boy uses the same line I pledge allegiance to everything now Every song that I've ever heard Is playing at the same time, it's absurd And it reminds me, we've got everything now We turn the speakers up till they break 'Cause every time you smile it's a fake Stop pretending, you've got...

(Everything now!) I need it (Everything now!) I want it (Everything now!) I can't live without (Everything now!) I can't live without (Everything now!) (Everything now!)

Every inch of road's got a town Daddy, how come you're never around? I miss you, like everything now Mama, leave the food on the stove Leave your car in the middle of the road This happy family with everything now We turn the speakers up till they break 'Cause every time you smile it's a fake Stop pretending, you've got...

(Everything now!) I need it (Everything now!) I want it (Everything now!) I can't live without (Everything now!) I can't live without (Everything now!) 'Til every room in my house (Everything now!) Is filled with shit (Everything now!) I couldn't live without (Everything now!) I need it (Everything now!) I can't live without

```
(Everything now!)
(Everything now!)
Everything now
La la la la la, la la la
La la la la, la la la
La la la la la la
La la la la la, la la la
La la la la, la la la
La la la la la la
Stop pretending, you've got...
(Everything now!) I need it
(Everything now!) I want it
(Everything now!) I can't live without
(Everything now!) I can't live without
(Everything now!) I can't live
(Everything now!) And every room in my house
(Everything now!) Is filled with shit
(Everything now!) I couldn't live without
(Everything now!) I need it
(Everything now!) I can't live without
(Everything now!) I can't live
(Everything now!) Every inch of space
(Everything now!) In my heart
(Everything now!) Is filled with something I'll never start
The ashes of everything now
And then you're black again
Can't make it back again
From everything now
```
