

Million Dollar Question

Arcane Roots

I would hang my head for what you've done
I think I've got a problem but I'm not the only one

This is the last time I
Will answer to these questions
Rejected, unloved and
Not even friendship after all

And this is what I've carried
Alone, inside
And I could barely get by
Day by day I'd get by
Living as though I'm fine

Your loved the feeling deep inside you
I lost that feeling long ago
Though time is healing I still look back
At all times it showed

Attack
Because it's what I want
Give back
All the times that I loved

You'd have thought I would leave it there
Now I'm well and better off
But I can't not say that every time that you said it
I trusted in you
Where did those feelings go for me?

I don't want to remember loving you
I don't want to
I don't want to remember loving you
I don't want to

And I won't run, or hide
Or kneel this time
Won't run, won't hide
Won't kneel this time

No I won't run, or hide
Or kneel this time
Won't run, or hide
Or kneel this time

No I won't run, nor hide
Or kneel this time
Won't run, or hide
Or kneel this time

No I won't run, or hide
Or kneel this time
Don't run, or hide
Don't kneel this time

It's old thinking, down the hole
Rectify, safe in your inaction

It's old thinking, down the hole
Rectify, safe in your inaction

I can't see it, I can't see it, I can't see it
I can't see it, I can't see it, I can't see it
