## **South Carolina**

**Archers of Loaf** 

Crawl off the faces With my nonsense And clog your ears with ashes And boiled the sound to dry It's not your fault you're not my hero It's not your fault I can't make it clear enough It's not your fault at all Do do do Break off my jaw Scrape off my teeth Pull off my leg Drop off my load For a quarter, you can give him a quarter You can go into town with a reason to have an erection I like your tatoo depiction South Carolina Because I've been dying And I've been trying For ways to get through Days to get through And I chew my grass Just my grass My grass, my grass, my grass, my... Do do do Do do do South Carolina Carolina Carolina South Carolina Because I've been searching for you I've been praying for you I've been saying for you I've been waiting for you South Carolina Do do do Do do do
