

# Better Off

Archers

I feel you inching closer  
Acting like I never said it's over  
Did you see the line  
Before you crossed it  
You think we're gonna be fine  
Have you lost it

There's no space left for you next to me  
So take your shit and leave  
I had to cut you out just to breathe  
This isn't temporary

I'll be just fine on my own  
Maybe I'll be better off alone  
Too many broken bones  
From sticks and stones  
You pretend you didn't throw

You say I'm spineless  
Just a little mindless  
Is it fine if  
I return the kindness this time  
I guess I'll find out  
If I'm better off alone

Since you've been gone  
Nothing's ever felt wrong  
I don't think about you anymore  
In all my sad songs  
Coming clean never sounded  
So tongue and cheek  
While you were praying for plagues  
I was finding my peace of mind

Are you feeling haunted  
Your past will leave you at the bottom

I'll be just fine on my own  
Maybe I'll be better off alone  
Too many broken bones  
From sticks and stones  
You pretend you didn't throw

You say I'm spineless  
Just a little mindless  
Is it fine if  
I return the kindness this time  
I guess I'll find out  
If I'm better off alone

You thought you had me  
Wrapped around your finger  
But I won't let you be  
The one to drag me down  
There's nothing here for you  
And yet you linger  
You really think that I'll still come around

Are you ready for the let down

I'll be just fine on my own  
I'm better off alone  
Too many broken bones  
From sticks and stones  
You pretend you didn't throw

You say I'm spineless  
Just a little mindless  
Is it fine if  
I return the kindness this time  
I guess I'll find out  
If I'm better off alone
