

## Phallic Desecrator of Sacred Gates

Archgoat

I'll ride the Flesh of the Whore  
The twin Pillars of her supple Thighs  
Spit on the Whore made Virgin  
Conceive the Woman of Nazareth

The Chalice of Sacred Nectar  
The Altar between the silken Thighs  
Drink deep that heavenly Wine

Worship and adore the Fleshy Gate

Crushing the Petals of Sacredness  
Pounded into Oblivion again and again  
Each strike of My Phallic Hammer  
Sinks the Heavenliness to Lust
