

# Impermanence

## Architects

We've got a choice but still we'd rather choose to suffer  
'Cause there's no escape once the fuse is lit  
Locked in this pantheon  
Swimming with concrete shoes  
The reaper comes to take the best of you  
Can you see the writing on the wall?

There is a subtle space that we'll all discover  
'Cause there is a seat reserved for the spirit  
Passing through one by one  
Riding a torpedo  
We wash away into the overflow  
Can you see the writing on the wall?

We're barricaded  
'Cause nobody wants to meet their maker  
The seeds are sewn then we die alone, we die alone  
Eviscerated  
We're all players in a symphony  
That fights against impermanence  
Again, and again, and again, and again, and again  
Again, and again, and again!

Do you really wanna live forever?

We are so lost staring into all the colour  
It hurts but reality is counterfeit  
We came from the beyond  
Living a cameo  
One final breath and then we split in two  
Can you see the writing on the wall?

We're barricaded  
'Cause nobody wants to meet their maker  
The seeds are sewn then we die alone, we die alone  
Eviscerated  
We're all players in a symphony  
That fights against impermanence  
Again, and again, and again, and again, and again

Even the doomed refuse  
We were born to lose  
Do you really wanna live forever?  
'Cause those afraid to die will never truly live  
They'll never truly live

Even the doomed refuse  
We were born to lose  
Do you really wanna live forever?

We're barricaded  
'Cause nobody wants to meet their maker  
The seeds are sewn then we die alone, we die alone  
Eviscerated  
We're all players in a symphony  
That fights against impermanence  
Again, and again, and again, and again

We are barricaded  
'Cause nobody wants to meet their maker  
The seeds are sewn then we die alone, we die alone  
Eviscerated  
We're all players in a symphony  
That fights against impermanence  
Again, and again, and again, and again, and again
